DISCRIMINATION

...is against the law.

If it's happened to you - you  
**CAN** do something about it.

If you think that you've experienced discrimination  
then phone **01244 400730** to speak to a qualified  
caseworker about your options. The service is FREE of charge.

We also offer surgeries across Cheshire - call for further details  
or check out our website [www.chawrec.org.uk](http://www.chawrec.org.uk)
